BDL-1601

Datavideo Code: 9900-1601

Bundle that consists of 1 HS-1600T with 3x PTC-140T in a HC-800 case

9150 Euro
8850 USD
BDL-1602

Datavideo Code: 9900-1602

Bundle that consists of 1 HS-1600T with 3x PTC-150TL in a HC-800 case

12199 Euro
11599 USD
BDL-1603

Datavideo Code: 9900-1603

Bundle that consists of 1 HS-3200 with 3x PTC-140 cameras (in an HC-800 case) and one RMC-300A (in an HC-600 case) controller

11450 Euro
11999 USD
BDL-1607

Datavideo Code: 9900-1607

Bundle that consists of 1 Showcast-100 with 3x PTC-280's in a HC-800 case

9650 Euro
9499 USD
BDL-1608

Datavideo Code: 9900-1608

NDI Hybrid Classroom bundle with the iCast 10NDI a hybrid event switcher designed for streaming, recording, and conferencing with Zoom, MS Teams, and other platforms. The TPC-700 simplifies control. Together with 2 NDI camera's and HDMI encoder this bundle provides a variety of applications.

6900 Euro
6599 USD
BDL-1609

Datavideo Code: 9900-1609

NDI Hybrid Classroom bundle with the iCast 10NDI a hybrid event switcher designed for streaming, recording, and conferencing with Zoom, MS Teams, and other platforms. The TPC-700 simplifies control. Together with one tracking and one regular PTZ camera this bundle provides a variety of applications.

9650 Euro
9350 USD
BDL-1611

Datavideo Code: 9900-1611

Film Yourself like a PRO with this versatile bundle using Ai in UHD. This set includes simplified control with iCast-mini and autofollow functions from an UHD PTZ camera. Become a succesful creator, producer and presenter with this bundle

3750 Euro
3499 USD

Capture	<p>CAP-1 Datavideo Code: 2510-8510</p> <p>CAP-1 SDI to USB 3.0 (UVC) Capture (Input) device, supports SDI input with loop function and embedded or separate audio (switchable)</p>		<p>355 Euro 329 USD</p>
Capture	<p>CAP-2 Datavideo Code: 2510-8520</p> <p>CAP-2 HDMI to USB 3.0 Capture Box is an HDMI-USB Capturing device, which supports up to 1080p50/60.</p>		<p>305 Euro 279 USD</p>
Camera	<p>BC-15P Datavideo Code: 7000-3520</p> <p>POV Camera with a 1/1.8" CMOS Sensor, 4K 50/59.94/60p output, H.264 streaming output, including standard & eSports lens and body or App control</p>		<p>945 Euro 899 USD</p>
Camera	<p>BC-15C Datavideo Code: 7000-3525</p> <p>POV Camera with a 1/1.8" CMOS Sensor, 4K 50/59.94/60p output, H.264 streaming output, body or App control. (without CS mount lens)</p>		<p>915 Euro 869 USD</p>
Camera	<p>BC-50 Datavideo Code: 7000-3450</p> <p>The BC-50 is a cost-effective block camera with 20x optical and 16x digital zoom. Support PoE Technology. The video output is 3G/HD-SDI, it also supports VISCA/Pelco-D/Pelco-C protocols for control via RS-485. The BC-50 can deliver the compressed video signal H.264/H.265/MJPEG. The BC-50 Block Camera is a small HD camera with sturdy and durable metal case can be used in different types of environments.</p>		<p>925 Euro 879 USD</p>
Camera	<p>PTR-10MKII Datavideo Code: 7000-2051</p> <p>Professional Pan/Tilt head for any camera up to 4kg. Providing HDMI/SDI connectivity. Controlled by Datavideo's DVIP, VISCA or IR, Pan: 340 °/Tilt ± 45°, 50 Presets can be stored</p>		<p>2345 Euro 2199 USD</p>
Camera	<p>PTR-10TMKII Datavideo Code: 7000-2056</p> <p>Professional Pan/Tilt head for any camera up to 4kg. Providing HDMI/SDI & HDBaseT connectivity. Controlled by Datavideo's DVIP, VISCA or IR, Pan: 340 °/Tilt ± 45°, 50 Presets can be stored.</p>		<p>2875 Euro 2699 USD</p>

Camera	<p>PTR-15</p> <p>Datavideo Code: 7000-2052</p> <p>Professional Pan/Tilt head for any camera up to 4kg. Providing HDMI/SDI connectivity. Controlled by Datavideo's DVIP, VISCA or IR, Pan: 340 °/Tilt ± 45°, 50 Presets can be stored, UHD/4K</p>		<p>2665 Euro 2499 USD</p>
Camera	<p>PTR-15T</p> <p>Datavideo Code: 7000-2057</p> <p>Professional Pan/Tilt head for any camera up to 4kg. Providing HDMI/SDI & HDBaseT connectivity. Controlled by Datavideo's DVIP, VISCA or IR, Pan: 340 °/Tilt ± 45°, 50 Presets can be stored. UHD/4K</p>		<p>3150 Euro 2999 USD</p>
Camera	<p>ZEK-2</p> <p>Datavideo Code: 7000-2061</p> <p>Rotary encoder for Lens preset function PTR-10MKII and the PTR-10TMKII to be used with non-motorized lenses</p>		<p>375 Euro 349 USD</p>
Camera	<p>MB-7</p> <p>Datavideo Code: 7000-2062</p> <p>Long arm for PTR</p>		<p>115 Euro 109 USD</p>
Camera	<p>MB-8</p> <p>Datavideo Code: 7000-2063</p> <p>Larger camera mount for PTR</p>		<p>105 Euro 95 USD</p>
Camera	<p>CM-10</p> <p>Datavideo Code: 2202-0211</p> <p>Rugged ceiling mount for PTR-10, consists of 4 metal prepressed plates, two for mounting purpose and two as an L-shaped bracketed to be able to fit the camera (wider camera mount) Please check our website</p>		<p>295 Euro 279 USD</p>
Camera	<p>WM-11</p> <p>Datavideo Code: 2202-0210</p> <p>Wall mount for PTR-10 (Pan/Tilt head for block cameras)</p>		<p>235 Euro 219 USD</p>

Camera

PCB-1

Datavideo Code: 7000-2070

Panasonic interface control box to interface between PTR-10 and Panasonic camera's

235 Euro
219 USD

Camera

STA-100

Datavideo Code: 2350-1000

2 stage Carbon Fiber Video Tripod with; max. payload of 6kg a bowl diameter of 75mm, fluid head, pan bar and center spreader, Including soft bag

885 Euro
849 USD

Stand alone switchers

iCast-mini

Datavideo Code: 2200-4011

4K Dual Channel Presentation Switcher, with camera control, extended audio features and UVC connectivity to connect to Zoom, Teams and other platforms.

1815 Euro
1699 USD

Stand alone switchers

iCast-10NDI

Datavideo Code: 2200-4010

iCAST 10NDI is a new and innovative live production unit that houses a multi format switcher, camera controller, recorder and streaming encoder in one box. A variety of inputs can be connected to iCAST 10NDI to allow you to create an eye catching presentation. Supporting camera control and formats like SRT, RTSP, RTMP, NDI and HDMI ensures maximum connectivity.

2835 Euro
2649 USD

Stand alone switchers

Showcast-100

Datavideo Code: 2200-4050

4K 4-Channel Touch Panel Switcher that features 7 major functions. It can switch video, overlay text and graphics, control cameras, live stream, record, and mix audio all from a single unit. Similar to a tablet, the 14-inch touch panel allows easy and intuitive access to switcher functions.

4750 Euro
4399 USD

Stand alone switchers

SE-500HD

Datavideo Code: 2200-5101

The datavideo SE-500HD is a small, cost-effective, HD/SD digital video switcher with easy-to-use professional features. It offers 4 HDMI inputs and 2 HDMI outputs, support video formats up to Full HD 1080P, an audio mixer with microphone and unbalance RCA audio inputs, RCA audio outputs, more features including Luma Keyer, PIP, WIPE Generator and Tally.

1285 Euro
1199 USD

Stand alone switchers

SE-650

Datavideo Code: 2200-6100

4 Input Digital Video Switcher (Unibody), easy to learn and use. Includes 2 HD-SDI and 2 HDMI Inputs, 2 RCA Inputs for audio embedding with audio mixing feature. Built-in multiviewer, Supporting Linear/Luma Key, Wipe, Mix & Cut Transitions, 1 DSK, Full M/E Preview function, Frame store, Dedicated Stills Buffer for 24 Images. XPT (Cross Point Assignment, Tally output, GPI Output)

1285 Euro
1199 USD

Stand alone switchers

SE-1200MU

Datavideo Code: 2200-1200

6 Input HD Digital Video Switcher (1RU mainunit, GUI as UI) with: (4x HD-SDI & 2x HDMI), 2x HD-SDI & 2x HDMI Outputs (Can be assigned as PVW/PGM/Clean/MV), 2 Upstream Keyers, supporting Chroma Key & Linear/Luma Key, 2 DSK's, 1 PIP, Wipe, Mix & Cut Transitions, Full M/E Preview function, Up to 24 images Still-store, Xpoint assignment, PC/Tablet control, built-in Multiviewer also in MJPEG (streaming) & Tally/GPI, 2 XLR Inputs for audio embedding

1605 Euro
1499 USD

Stand alone switchers

RMC-260

Datavideo Code: 2205-1750

Hardware control panel for SE-1200MU videoswitcher (Serial control)

645 Euro
599 USD

Stand alone switchers

SE-3200

Datavideo Code: 2200-3030

12 input Digital Video Switcher (Splitunit) with: 12 Inputs (8 x SDI & 4 x HDMI), 9 Outputs (6 x SDI and 3 x HDMI), 4 Keying inputs for chromakey, linear and luma as well as PiP, 2 DSK's for linear and luma keys, 2 static or animated logos, WIPE, MIX, DVE and CUT transitions, 32 WIPE patterns, supports stinger transition and any input can be used as a frame store

5850 Euro
5499 USD

Stand alone switchers

SE-4000

Datavideo Code: 2200-4000

UHD Videoswitcher with 8 live channel : 8x 12G-SDI +4x HDMI (select 8 from 12); 7 outputs : 4x 12G-SDI +3x HDMI); 5" Touch Panel controlling; up/down scaling on each input; 2 x Chromakey, 2 x DSK & 4 x PIP; XPT (Cross Point); Wipe, Mix, DVE, Cut and Stinger Transitions

8550 Euro
7999 USD

MobileCast

HS-1300

Datavideo Code: 2200-2016

Portable production unit, designed as a suitcase providing; HD/SD Digital video switcher with XPT assignments, FTB, Mix, Cut, Wipe effects, PiP & 2x downstream keyer, 6x HD-SDI or 4x HD-SDI +2x HDMI Inputs, 1x HD-SDI & 1x HDMI (XPT/AUX/PVW/PGM) outputsTally/GPI output. With a built in streaming encoder/recorder

4250 Euro
3999 USD

MobileCast

HS-1600T MKII

Datavideo Code: 2200-2019

Portable production unit, designed as a suitcase providing; Video switcher including Mix, Cut, Wipe effects, 3x HDBaseT, 1x HDMI Inputs, Built in Quad split & Camera controller, providing PoE on HDBaseT line, with a built-in streaming encoder/recorder

5950 Euro
5599 USD

MobileCast

HS-3200

Datavideo Code: 2200-2070

Portable Production unit, designed as a suitcase providing; 12 inputs(8 x SDI and 4 x HDMI), 9 Outputs (6 x SDI and 3 x HDMI), Simultaneous Live Streaming & Recording, 4 Keys for chromakey, linear and luma keys as well as PiP, 2 DSK's for linear and luma keys 2 static or animated logos, WIPE, MIX, DVE and CUT transitions, 32 WIPE patterns, any input (1-12) can be used as a frame store

8050 Euro
7499 USD

MobileCast

HS-4000

Datavideo Code: 2200-2075

8 Channel UHD (12G-SDI + 4x HDMI) with UHD 4K50/60P (select 8 from 12)
17" Panel with UHD 4K (3840 x 2160), 5" Touch Panel controlling, one button one function, 5 outputs with AUX assignment, 4K Streaming and Recording
4 x USK, 2 x DSK, 2 x PIP, XPT (Cross Point), Wipe, Mix, DVE, Cut and Stinger Transitions

11800 Euro
10999 USD

MobileCast

TPC-700

Datavideo Code: 2205-1900

TPC-700 is a multifunctional touch panel controller for Datavideo peripherals. This controller will receive multiple firmware versions that can control Datavideo hardware in various scenarios. The debut firmware will control the SE-3200 switcher in a corporate presentation scenario.

945 Euro
879 USD

MobileCast

RMC-2P

Datavideo Code: 2205-1805

Joystick controller for 3 Cameras, optionally with TPC-700 through USB or stand alone using IP

265 Euro
249 USD

ChromaKey

DVK-400

Datavideo Code: 2210-1030

4K Real-time chroma keyer with 4:4:4:4 10-bit internal processing for any live virtual production, HDMI and SDI outputs, store/recall : 3 sets of instant switchable parameters (by Control s/w), Advanced algorithm can present transparency, smoke, reflection and shadow in detail, easy operation and control via LAN connection to laptop

2385 Euro
2199 USD

ChromaKey

DVK-401

Datavideo Code: 2210-1031

4K Real-time chroma keyer with 4:4:4:4 10-bit internal processing for any live virtual production, HDMI and SDI outputs, store/recall : 3 sets of instant switchable parameters (by Control s/w), Advanced algorithm can present transparency, smoke, reflection and shadow in detail, easy control with the TPC-700 included

2695 Euro
2849 USD

UHD Tools

KMU-100

Datavideo Code: 4000-1100

4K Dual Channel MultiSource generator providing up/down/cross and scaling, HDMI 2.0, 12G, 6G and 4x 3G inputs, This unit enables the user to get 4 dynamic "cut-outs" with zoom and motion features whereby each "cut-out" has it's own 3Gbps output (Virtual production with region of interest)

3550 Euro
3299 USD

UHD Tools

KMU-200

Datavideo Code: 4000-1200

4K Single Channel MultiSource Production Unit with; All-In-One Video Switching, Streaming, Audio Mixing and Camera Control (HDMI I/O)

3750 Euro
3499 USD

KMU-300Datavideo Code: **4000-1300**

4K Single Channel MultiSource Production Unit with; All-In-One Video Switching, Streaming, Audio Mixing and Camera Control (HDMI I/O) and PTZ control

3850 Euro
3599 USD

RMC-185Datavideo Code: **2205-1525**

Remote control console for KMU-100 including functions of quad/multiview monitoring, camera movement (Pan/Tilt/Zoom) 4 Main presets are available storing all parameters. Start/Stop/Reset function for pre-defined linear motion paths/channel, a full KMU-100 (2 4K Channel unit) can be controlled with a single RMC-185

1065 Euro
999 USD

PTC-140Datavideo Code: **7000-3060**

Full HD Pan/Tilt camera with 1/2.8 inch CMOS sensor 20x Opt. Zoom, 10xDig. Zoom H.264/H.265 encoding for streaming Supports RTSP, RTMP protocols

1045 Euro
999 USD

TERMS AND CONDITIONS

1. Definitions

In these terms and conditions **Seller** means Datavideo Technologies Europe BV; **Terms** means the terms and conditions here set out (and any special terms agreed in writing by Seller); **Customer** means any person, firm or company (whether incorporated or unincorporated) buying or agreeing to buy Product(s) from Seller; **Product(s)** means the goods supplied by Seller or services rendered to Customer and subject to these Terms; **Price** means the stated price for the Product(s) and excludes carriage, packing, insurance and VAT; **Order** means an order placed by Customer with Seller for the Product(s). **Any document in writing** that is required can be delivered either on paper or in electronic form. **Delivery (Date)** means the date the Products leave Seller's warehouse, specified in writing by Seller for delivery of the Products to Customer.

2. Conditions applicable

2.1. These Terms apply to any sale or offer and other services rendered to Customer, to the exclusion of all other terms (including any which Customer may purport to apply under any purchase order, confirmation of order or any similar document). These Terms constitute a binding contract between Customer and Seller. These Terms are subject to change without prior notice. No variation of these Terms (including any special conditions) shall apply unless agreed in writing by Seller.

2.2. Any typographical, clerical or other error or omission in any sales literature, web page, quotation, price list, acceptance of offer, invoice or other document or information issued by Seller shall be subject to correction without any liability on the part of Seller.

2.3. If any provision of these conditions is adjudged invalid or unenforceable in whole or in part the validity of the other provisions of these terms and the remainder of those provisions in question shall not be affected.

3. Orders and offers

3.1. An Order shall be deemed an offer by Customer to purchase Product(s) upon the Terms. Acceptance of delivery of the Product(s) (as determined in accordance with clause 10.1 below) shall be conclusive evidence of Customer's acceptance of the Terms.

3.2. All offers by Seller apply for 30 days after issuing, unless otherwise mentioning in the offer in question. Customer is free to accept or refuse the offer.

3.3. After Customer accepted the offer, Seller is free to reject acceptance within 2 business days after receiving acceptance.

3.4. In case, after reaching an agreement, however before or during execution hereof, circumstances occur, which are beyond Seller's reasonable control, result in increase of prices, Seller is entitled to change his prices. Customer on the other hand is entitled, in case of an increase of prices to dissolve the agreement within 14 business days after announcement hereof. Any event of any increase in the cost to Seller of raw materials, labour, overheads, or any increase in taxes or duties, or any variation in exchange rate Seller may increase the price payable under the contract upon written notice. Seller shall be entitled to cancel this contract at any time prior to delivery of the Product(s) by giving written notice to Customer and promptly repaying to Customer any sums already paid by Customer and shall not be liable for any loss or damages arising from such cancellation.

3.5. Changes of orders or agreements have to be made in writing and in due time, and are only applicable after Seller's acceptance in writing. It is up to Seller's decision whether a change has been made in due time.

4. Security and deposit

4.1. It is at Seller's liberty to demand security from Customer at any time before or during execution of the agreement.

4.2. It is at Seller's liberty to demand a deposit or payment in full at any time before or during execution of the agreement.

5. Prices and Payment terms

5.1. Pricing of Products shall be the price current at the moment the Products are leaving our warehouse.

5.2. Where applicable, VAT shall be due on the Price at the rate ruling the date of Seller's invoice. Payment of the Price, carriage, packing and VAT is due within the number of days stated on the invoice or Pro Forma invoice if different and for the purpose of these terms the time of payments shall be of the essence.

5.3. In the event that Customer fails to pay on the due date, Customer will be considered in default of right and Seller may charge interest on any overdue invoice without prior notice and will accrue from the date when payment is due until the date of actual payment at the rate of 1,5% per month.

5.4. In the event that Customer fails to make any payment on the due date, or in the event the credit has been exceeded then Seller may (without prejudice to any of its other rights) suspend or cancel delivery of any Product(s) to Customer. The cost of recovering any overdue accounts shall be paid to Seller by Customer; costs will be 15% of the open invoices with minimum of € 500,00 / US\$ 600,00.

5.5. All accounts are payable to the address stated on our invoice. Payments made by electronic means can be made directly to the following accounts:

ING Bank Euro Account: 69.34.35.259 IBAN Nr: NL76INGB0693435259

Maliebaan 8, Utrecht US Dollar Account: 02.17.51.803 IBAN Nr.: NL96INGB0021751803

Swift code INGBNL2A

5.6. Payments made by Customer firstly apply to interest and costs due, further invoices first issued, even so if Customer mentions that payment is for later issued invoices.

Customer may not withhold payment of any invoice or other amount due to Seller whether by reason of any alleged right of set-off or counterclaim or otherwise.

5.7. Our price lists do not imply any offers.

5.8. All shipments are being charged with actual shipping costs (unless Customer provides shipping himself).

5.9. All shipments with an invoice amount of less than € 500,00 / US\$ 500,00 (excl. VAT) will be charged with administration costs of € 50,00 / US\$ 50,00.

5.10. Registered mail, cash on delivery, express mail or other special deliveries are being charged with extra costs.

6. Delivery

6.1. Seller will endeavor to deliver the Products to Customer's stated address for delivery on the Delivery Date, but may deliver the Products in advance of the Delivery Date upon the giving reasonable notice to Customer of its intention to do so. Without prejudice to the foregoing, Customer shall take delivery of the Products whenever and wherever the Products are tendered for delivery.

6.2. Any dates quoted by Seller for the delivery of Product(s) are estimates only and shall not form part of the contract. Seller aims to deliver promptly, however delays are occasionally inevitable due to unforeseen factors. Seller shall be under no liability for any delay or failure to deliver the Product(s) within the estimated delivery time, unless a certain date was explicitly agreed to in writing.

7. Retention

7.1. The Products shall be at Customer's risk as from leaving our warehouse. Notwithstanding that delivery may have been made properly, property in and title to Products shall not pass to Customer until Customer shall have paid the Price plus VAT, delivery and shipping in full, no other sums whatsoever shall be outstanding and owed by Customer to Seller. If Customer fails to make any payment on its due date then, without prejudice to Seller's other rights and remedies under these Terms, Seller may appropriate any payment made by Customer to such Products (or other products supplied by Seller to Customer under any other contract) as Seller may in its sole discretion think fit. Until property and title in the Products passes to Customer in accordance with this clause, (a) Customer shall hold the Product(s) and each of them on a fiduciary basis as bailee for Seller, (b) Customer shall store the Product(s) (at no cost to Seller) separately from all other goods in its possession and marked in such a way that they are clearly identified as Seller's property.

7.2. Notwithstanding that the Product(s) remain the property of Seller, Customer may sell or use the Product(s) in the ordinary course of Customer's business at full market value for the account of Seller. Such sale or dealing shall be a sale or use of Seller's property by Customer or on Customer's own behalf and Customer shall deal as principal when making such sales or dealings.

7.3. Until property in the Product(s) passes from Seller, Customer shall not in any way pledge or charge by way of any security for any indebtedness of Customer any of the Product(s) which are property of Seller (and if Customer should do so, then without prejudice to any other rights of Seller, all sums whatsoever due and owing to Seller by Customer shall forthwith become due and payable).

7.4. Until property in the Product(s) passes from Seller, Customer shall upon request deliver up to Seller such of Product(s) as have not ceased to be in existence or been resold, and if Customer fails to do so then Seller may enter upon any premises owned, occupied or controlled by Customer where such Product(s) are situated and repossess such Product(s).

8. Pictures

8.1. Pictures showing the Product(s), drawings, measurements, weights, technical specifications, colors either in our website, brochures or price lists may not be identical to the Product(s) as shipped to the Customer.

8.2. Deviation cannot be accepted as reason for dissolution or compensation, provided a special arrangement in writing has been agreed to.

9. Transport and insurance

9.1. Seller will use its discretion in selecting a reputable carrier and appropriate means of delivery. Customer use a carrier of his choice. In both cases the risk will pass to Customer from the moment the Product(s) leave Seller's warehouse.

9.2. Transport of any Product(s) with destination in the Netherlands will be insured by Seller for loss, damage or theft during transport. Any risk will pass to Customer from the moment the Product(s) are delivered at the delivery address of Customer's choice.

9.3. Transport of any Product(s) beyond the Netherlands border will not be insured by Seller for loss, damage or theft during transport. Any risk will pass to Customer from the moment the Product(s) leave Seller's warehouse.

9.4. In the event of loss, damage or theft of the shipment within the Netherlands an official report has to be formatted by the shipping agent. Customer has to send this report within 3 business days by registered mail.

10. Complaints

10.1. Within 8 business days of delivery Customer must notify Seller in writing of any alleged defect, shortage in quantity, damage or failure to comply with description of the Products and also (if so required by Seller) return the Products within 7 days of delivery and before any use of them. In the absence of any such notification Customer will be deemed to have accepted the Products and thereafter shall not be entitled to reject the Products, any part of them, as not in accordance with the contract.

10.2. Any request for RMA (Return Material Authorization) shall be filed by mail: service@datavideo.nl, showing order ID, invoice number, product code, serial number and description of complaint.

10.3. Customer shall be responsible for the cost of safe and secure transport of the defective or damaged Products to Seller and is only permitted after written permission from Seller.

10.4. Except for transit damage, the Product(s) have to be returned unused, in their original packaging within eight days and according Seller's specifications.

10.5. Any credit refund will be made based on the Price charged to Customer, but will never exceed the Price at the moment of returning the Product(s) to Seller.

11. Warranties

11.1. Seller warrants that Product(s) will be free from defects in materials and workmanship occurring within the warranty periods mentioned in clause 11.5, unless damages occur due to a fact mentioned in clause 11.2 or 11.3.

11.2. Seller warrants that the Products will, at the time of delivery, correspond to their description. All other warranties, conditions or terms relating to fitness for purpose, quality or condition of the Products, whether express or implied by statute or common law are excluded to the fullest extent permitted by law.

11.3. In case of malfunctioning of a Product within the period mentioned in clause 11.5 Seller will do everything, within reason, to solve the problem within reasonable period of time. Seller does not warrant damages occurring because of incorrect installation, use, changes of repairs made by any unrecognized party.

11.4. Seller shall at its own expense and within a reasonable time of receiving those Product(s) investigate Customer's claim and Seller may repair or at his option either, replace the Product(s) or such parts of the Product(s) as are defective, or credit Customer for the return of the Product(s). In no circumstances will Seller be responsible for any other damages whatsoever.

11.5. The warranty period will last 12 months after delivery date, unless damages occur due to facts mentioned in clause 11.3. Customer can extend this warranty period up to 24 months from delivery by registration of these Product(s) at Datavideo website: www.datavideo.info.

11.6. The warranty period of repairs and parts however are limited to 6 months.

12. Liability

In any event and despite anything contained in these Terms, in no circumstances, shall Seller be liable in contract, tort (including negligence or breach of statutory duties) or otherwise howsoever, and whatever the cause thereof, for any increase costs or expenses for any loss of profit, business contracts, revenues or anticipated savings, or for any special indirect or consequential damage of any nature whatsoever.

13. Packing

Seller's Products may only be resold in the original packing, the trademarks, numbers or remarks may not be hidden, deleted.

14. Force majeure

14.1. The Delivery Date will be postponed with the period in which Seller is delayed or hindered to perform because of force majeure.

14.2. Force majeure means that Seller is unable or hindered in or delayed in obtaining or delivering the Product(s) by normal routes or means of delivery through circumstances beyond its control including but not limited to strikes, lock outs, accidents, war fire, reduction in or unavailability of power at Seller's premises.

14.3. In the event of force majeure delivery is being delayed for more than 2 months, both Seller and Customer are allowed to consider the contract withdrawn. In that case Seller is only entitled to reimbursement of costs.

14.4. In the event that force majeure commences at the moment Seller has performed partially, Customer is entitled, in case conclusion of the contract is delayed for more than two months for this force majeure, to keep the delivered Product(s) and pay these. In the event Customer can prove he cannot use the partial delivery, he also may consider the contract (completely) withdrawn with the obligation of returning the delivered Product(s) for his account.

15. Dissolution

15.1. In the event Customer becomes insolvent, is unable to pay his debts when due, files for bankruptcy, is subject of involuntary bankruptcy, has a receiver appointed, or has its assets assigned, Seller may dissolve the agreement without judicial intervention, unless the receiver acknowledges the obligations arising from this contract as a debt of estate.

15.2. All claims for either party become due and payable at the moment of dissolution. Customer will be liable for all damages including but not limited to loss of profit and costs of transport.

16. Confidentiality

Seller may transfer your details to our bank or third parties for the purposes of providing credit insurance, making credit reference agency searches, credit control, assessment and analysis, securitization and to protect our interests. The identity of our bank or third parties and that of any credit reference agencies used by us will be readily available on demand.

17. General

Seller shall be entitled to assign its rights and/or obligations under these Terms by giving written notice of such assignment to Customer.

18. Applicable law

These Terms are subject to the law of the Netherlands and shall be within the exclusive jurisdiction of the courts in the Netherlands.
